## INVITATION TO CHUNIFAIR, INTERNATIONAL STUDENTS PROGRAM

May 15<sup>th</sup>, 2022

Dear International Academy,

We are delighted to introduce you to this International students fair, which will be held from July 4<sup>th</sup> to 10<sup>th</sup>. CHUNIFAIR will be held in Cheonan, a city of education where many four-year universities are concentrated. Cheonan is both an educational city and a transportation hub, with subways connected to the metropolitan area and train stations that can be moved nationwide. While Cheonan has been less known to foreign students compared to Seoul and Gyeonggi Region, you can learn Korean from natives and experience Korean culture more effectively.

We are sure that this fair will be very helpful to give information on studying in Korean to Japanese students who are interested in studying Korean and Korean culture. As this fair will provide essential information about studying in universities of Korea, we expect you will advertise this event to the registered members of your academy.

You can check more information on our fair website and attached files. The site address is [www.chunifair.com](http://www.chunifair.com). If you have any further questions, please feel free to contact us.
